Dear Prayer Partners and Supporters, **Merry Christmas from The Heyboers!**

We are rejoicing on how God brought many to camp despite the higher cost of living. **Campers, volunteers, work crews, speakers, and summer staff were all able to serve in their special capacity.** Something that we were reminded of this year is that **God works in hearts before they arrive and after they leave camp.** We praise God for the **16 salvations and the many decisions** that were made at camp! **Pray for the 2023 camps because we know and trust God to prepare those coming.** For example, Wixi's friend invited her to attend a ladies' retreat with her. Wixi was registered to go before Anah had the seizure. But God knew she would be discouraged and would need this spiritual encouragement ahead of time. We trust, hope & pray God will meet hearts' needs. **We praise God for the ones who take time to share what God did while they were at camp.**

Just last night we had a couple over for dinner and the wife said, "Hey I am working on finishing our Bible study we did this summer on 1 Thessalonians. Thank you for doing that." **We praise God that He continues to work in hearts even beyond our facility.**

**We praise God for the many volunteers & summer staff** that have come to help work on the lodge rebuild and in repairs around camp and on vehicles. **It is sweet to see their enthusiasm, and it encourages us to keep going. What an amazing God we serve!** Truly He is the one who supplies and encourages us; yet, He uses each of you to accomplish this. Thank you for praying because without prayer not much would be accomplished.

**A ministry has chosen to help us finish the lodge** and they will match what is given up to \$200,000! You can read more on <https://www.redcliffcamp.org/give>. **Pray also for each of our camp families** (Loftus, MacGills, Holts, Heyboers, board members & 2 volunteer families) our **support, our areas of responsibilities and personal needs.**

**Pray for our church family here and our town that God will use us for His glory.** Please **pray as we go around town giving out Bible tracts.** We have been able to give out around 377 this year. Each of them included an invitation to our church, & a treat or a little gift. **Would you pray that God will use them for His Glory & that they will be read.**

**Thank you for praying for our family. Our kids are doing well; they have become true helpers** at camp and we are thankful for the ability to not just serve together, but alongside our children. They are working on their homeschooling and enjoying their special classes at the school, like band, PE and art. **They come home and pray for the kids that they meet, which is a joy.** David is busy as there is much to do at camp even in the winter. Thank you for praying for him. He had a right leg vein procedure on November 02 to help with the sore that developed on his foot. **David was diagnosed with incompetent veins in both legs, and we are praying that God will heal them.** His

next procedure on the other leg is tentatively scheduled on January 04. Our family continues to trust in God's care for next year and praise God for His care this year. **We truly thank God for the opportunity we have to serve Him here in Wyoming.** Thank you for praying! May God bless you; have a Merry Christmas!
