

**"For the eyes of the Lord run to and fro throughout the whole earth, to shew himself strong in the behalf of them whose heart is perfect toward him." II Chronicles 16:9a**

August 18, 2021.

Dear Prayer Partners and Supporters,

We started this newsletter a month ago, and yet we never sent it. Yet, this afternoon as we open the computer it is so refreshing that this exact group of verses, God was bringing to mind. His word is so amazing: Philippians 4:4-6 "Rejoice in the Lord always: and again I say, Rejoice. Let your moderation be known unto all men. The Lord is at hand. Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God."

We are praising God for much fruit these last 4 months. God has given us in His grace a very fruitful summer. We had during staff training a Salt Counselor recognize her need of salvation and a Counselor get assurance of salvation. From then on, God worked in the heart of 4 staff kids getting saved and also many campers. Many made decisions (including Anah Grace and Leonard). Seeing this many campers and others accept Jesus Christ as their Savior was a blessing. We have been reminded of the importance of the Gospel being shared with many. Yes, many just rejoice in the fact that they could be at camp, but more than that, many were saved (like we said) many grew, were encouraged, were challenged and made decisions we pray will be life changing for their future, bringing them closer to God. Rejoice with us and praise God with us, that what each camper, volunteer, summer staff or work team learned this summer in God's Word will continue to work in their hearts.

We rejoice in the fact that God is good and His care and help has been all over every detail this summer. God in his grace has brought the help we have needed every week, given strength and help, has given us safety, and given us the energy to press on with joy. It has been so sweet to see lives change this summer.

During the start of the week of camp you could see hard hearts coming in. Yet as we all prayed, we could see hearts change by past mid-week. Our God is an amazing Father. Our weeks were full, and God in His grace gave us a healthy summer even with the smoky air. The counselors were amazed to see how God was working not only in the campers through them or the speaker but also in their hearts.

We praise God for his provision even on the continued rebuilding of the lodge. It is a lot of work, yet our prayer is that even now God is using the gathering of many to work to reach their hearts. It is sweet to hear them share how they enjoy being here away from the routines of life focusing on a project that will be used as a tool for the furthering of the Gospel. We praise God that He even uses a building project to gather Christians so they can encourage one another and serve together. God continues to supply help and wisdom on how to best use resources to continue on, and we praise God for that!

We have a team of masons (The Bergmans) that just left last week who started the building of the pump room for the lodge.

Right now, we have a team of 21 people from the IBBI team (they are builders). They will be here this week. They have been a sweet blessing to camp; we are praying we can have all the materials they need and get much accomplished. They normally meet in the evenings for their Bible study. (We are praying for God to use this time to encourage them and grow them closer to Him.) We have another group coming next week and then it will be our week off. When we try to regroup as a family before the next season of serving. We will have ladies retreat September 09 through 11, 2021. And then the kids and Wixi start their homeschool.

This year has brought a change of season for our family. We miss David's dad. He truly was a good counselor to David specially and all of us. He misses his wise advice and prayer. Yet we are praying that God is raising new prayer warriors for our ministry.

And that He will continue to supply good counseling for David as we continue to serve here. We are thankful David's mom (Lois) is doing well, she is adjusting to her new normal, she has her days, yet she is trusting in God's faithfulness. Thank you for praying for her. David's mom was able to come for 2 weeks with David's sister, her husband and their daughter. She had fun showing them around and we got to visit in the weekends. Their son Jonathan was part of our summer staff this year.

**Praise God with us:** For the many who were saved and made decisions this summer. - For safety and fruitful summer camps. - For His provision to our family and camp. - For safety for the many miles we put on in the summer.

**How can you pray for our family and ministry?** Pray for strength and health as we continue to serve. - Pray that we will not get weary of well doing, but that we will be hospitable towards each person God brings to camp or our home. - Pray for our homeschooling. We will start after ladies' retreat, yet Wixi needs to take time to get ready for it. - Pray for our family (our marriage and kids) that God will use us here at camp and also in our community. We are praying how to reach more around town this fall. - Pray for Anah Grace's left leg to get straighter, she will see her orthopedic next in December, also pray that Shriners will upgrade her bike, since it is getting smaller. She sees the specialist in September. - Pray for encouragement. We need your prayers that we will continue to share the Gospel boldly and share the hope we have in Jesus. Ephesians 6:19 "Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints; And for me, that utterance may be given unto me, that I may open my mouth boldly, to make known the mystery of the gospel,"

Thank you for your prayers and support for our family. We continue to trust that like yesterday and today, God will continue to be faithful tomorrow!

Please continue to pray for God to meet the needs of the Loftus, the MacGills, the Holts, and our family. Pray for God's guidance and protection to our ministry and families. Please pray that we will keep our eyes on Jesus and continue to share the Gospel! We continue to pray for our Town, State, Country and the World.

Serving Christ, in His care, David & Wixi, Anah Grace, Leonard Allen and Joseph David Heyboer
