Happy Thanksgiving!

"The eyes of all wait upon thee; and Thou givest them their meat in due season. Thou openest Thine hand, and satisfiest the desire of every living thing." Psalm 145:15, 16

Dear Friends,

In our recent newsletter we shared some of the blessings of summer and fall camps at Red Cliff. It is truly amazing to watch God work on so many levels in people's lives, in projects, in travel, in connections we could never design on our own. We are so blessed to be in a place to see God at work in such powerful ways!

Once fall retreats ended, Dean, Lorie, and Dave Heyboer traveled together to the REACH Conference at Bob Jones University. Each of us was blessed to sense and see students with a heart to serve the Lord! All of us were able to visit with family while in the area as well!

Upon our return, we hosted a work group from GA which came (sent by their church) to put the siding on the high gable ends of the new Lodge. God granted safety the whole week, and the group of four guys completed the project beautifully! Lorie was privileged to cook for them with the help of dear friends from Idaho.

Often when we write in the fall, we include something about hunting and the lack of harvest. This year, however, we rejoice to tell you that **God** supplied an elk for Dean. He hunted with a friend at 10,000 feet where the elk live when the snow hasn't yet come. At dusk one evening a bull elk walked toward Dean. Thank You, GOD!

October was filled with travel to two more colleges and several churches in which God blessed with good contacts for summer staff, and with good exposure to Red Cliff's mission and desire to partner with churches in gospel ministry. Please pray that God will send us a godly staff and many campers.

How we thank God for you, our friends and supporters!! Knowing you pray that God will help us and work in our lives, and in the lives of campers blesses us beyond words. Thank you for partnering with us! We have so much to be thankful for!

Grace and peace,

Dean and Lorie
