

*"Praise ye the Lord. Blessed is the man that feareth the Lord, that delighteth greatly in his commandments." Psalm 112:1*

Dear Prayer Warriors & Faithful Supporters,

The last few prayer letters, we have enjoyed sharing on our page the way God has answered prayer here at Red Cliff Bible Camp. Serving here since the beginning, there are many answers to prayer that we can remember. We also see how our God has supplied, helped, saved and encouraged at Camp and us personally each step of the way.

It is a delight to see Dick (since his retirement from active work at Camp) asking constantly how he can be praying for the ministry there. One example is this winter when we needed increased snow at Camp. When he learned of the need, he prayed, and God in His grace answered with more snow! It was an encouragement to Dick as well - what a blessing to see God continuing to use him even from home! Deirdre continues to serve, both in helping Dick with his needs and to help with the Camp financial bookwork, as well as teaching in our church Nursery Sunday School class, and helping decorate the bulletin board and decorating for different activities.

These last few months have been challenging for us. Dick learned that some of the medications he was taking for treatment of cancer also had some negative side affects that were weakening and causing joint discomfort physically. (Stormy weather affects much of this.) Those medications have been stopped, and we are continuing to monitor closely. He was also able to do some physical therapy which was helpful. The oncologist says the recovery will be very slow, and we are praying that the Great Physician will bless with the needed improvements. We would greatly appreciate you praying with us that we would be able to make wise choices that would be helpful for him.

Last week, Dick fell which resulted in 7 fractured ribs. The decision was made to take him to the hospital to protect him from getting pneumonia. It was a blessing that he was able to share the Lord's love with workers there and pray with them. We thank the Lord for the opportunity to share Christ with others. And praise the Lord, he is home again and recovering well.

Prayer requests:

- Health needs for both of us
- Wisdom regarding the right doctors and treatments as we go through this stage of life
- God's continued help as we seek to serve Him in prayer and witness
- Our children and grandchildren

Because of Calvary,

Dick & Deirdre MacGill
