

"Bless the Lord, all his works in all places of his dominion: bless the Lord, O my soul." Psalm 103:22

Dear Prayer Partners and Supporters,
We rejoice in all God did this winter. As we all served, we would pray that God would eliminate distractions so campers and/or volunteers could hear the Gospel and/or be encouraged in God's Word, and God answered!

God gave safety and supplied many helpers to serve campers in an effective way. How marvelous to see

the many Gospel conversations happening during camps.

It is amazing each season the many helpers God supplied just when needed. If you came and served or prayed for us all, THANK YOU!

Since winter camps, David has continued to go up to camp and serve, work on the maintenance of snowmachines and vehicles in town, did an EPA training, and just has been busy serving including helping on things that needed to be done at church. Praise God this week he has been able to drive to camp so even the trash trailer is empty and preparations for our summer staff and/work crews are in full swing. Pray for wisdom and God's direction to us all, especially for Mr. Dean and David as they continue to work on so many areas of Camp.

Here are some blessing from the last few months: We gave out 360 faux tulips with Bible tracts around town to invite people for Easter Sunday, but only 5 visitors came. Yet, we know God can still use His Word. We had a family come the day before Easter and two ladies who came on Easter who needed encouragement, and even though it was a quiet Easter, we saw God work in the way we could share the power of His death and resurrection for our sins, and in the way He orchestrated the details.

Please pray that we will continue to share the Gospel boldly at Camp, in our town, and even during our daughter's out-of-state doctors' visits.

Wixi and the kids are getting ready to close school and go serve together at Camp. Our nephew (Jonathan) will be back to serve on program (5th year serving in various areas here at Camp). Anah Grace (our daughter) will be serving at Wolf Mountain Christian Camp, CA for 5 weeks in their high school program. She will be back to help us during Family Camp. Would you pray that God will supply financially for these two and the many others who will come to serve with us at Camp? These young people are dedicating their summer so God's Word can be shared to many others. Pray for God to supply for their needs, their school bills, to grow them spiritually, and teach them to praise and trust God with every area of their lives. We are so thankful each year for the many who give to God their summer to come serve alongside us. It has given a new perspective watching our daughter prepare to go serve. Praise God she is doing well. She might need a hip replacement in a few years, but is still doing well. We and her neurologist are happy that the medication is working, Praise God. Thank you for praying for us. In these next two months, we will have a 13, 16 and 50 year old (Dave). Big birthdays this year. Praise God!

Thank you again for choosing to pray, support, and encourage our family. Serving Christ together, David, Wixi, Anah Grace, Leonard & Joseph Heyboer.
